

# Deal With The Devil

---

Words by Nicola Bleu

## VERSE 1

Reputation is made  
So I'm selling mine to the highest bidder,  
I may have been a tease  
In the past but now I'm gonna be a keeper.  
Spread my legs with a smile  
To show my severity,  
Seal with a kiss and be  
In for the longevity.

## CHORUS

As long as you pay the price  
I'm game.  
Living with no limitations  
No shame.  
Baby just roll the dice and risk  
The pain.  
Cos she's coming for you.

## VERSE 2

If there's a lesson here  
To learn never make promises you can't keep,  
The consequence is she'll slit  
Your throat and bury your body deep.

So honey just keep face and do as she says. x2

## Notes

- Custom syllable structure
- No pre-chorus and shortened 2<sup>nd</sup> verse in exchange for an extended chorus.

## CHORUS

As long as you pay the price  
I'm game.  
Living with no limitations  
No blame.  
Baby just roll the dice and risk  
The pain.  
Cos she's coming for you.  
Cos you burnt her heart with  
The flame.  
Just to see how much you  
Could gain.  
Baby just roll the dice and strike  
The vein.  
Cos she's coming for you.

## BRIDGE

Damn I just made a deal with the Devil  
And now my nerves have cranked up.  
Damn I just made a deal with the Devil  
Now someone's life's gonna get f\*\*ked up.
