

Fortress

Words by Nicola Bleu

CHORUS

I built this fortress
Concealing my misery,
Yet yearning for company.
Arms held up in the air
I've given up on the resolution.
You won't find a way in. x2

VERSE 1

These burdens I carry on my feet
This skins aging suffering from defeat.
I've only got one bottle of hope left
But it's beginning to crack for the secrets I've kept.

PRE

Winters gonna hit me hard
Nothing but fantasies to keep me warm
Oh, I'm not afraid of the dark
Cos no one's out there.

CHORUS

VERSE 2

Foolish nature has the best of me

Notes

- Custom syllable structure
- Extended pre-chorus and alternative pre-chorus

Steamed up windows hide my view I can't see.

Trapped with my thoughts its poisoning my freewill

Sending shivers up my spine now I can't sit still.

PRE

CHORUS

BRIDGE

(Too far gone to comprehend what's going on
My reflection fades in the mirror
Come back to me x2) x2

PRE

2ND PRE

This toxins gonna leave a scar
Along with the pain I'm doomed to fall
Oh, you know I can't travel far
Cos no one's out there.

CHORUS X2
